OTHER BUS ROUTES

Bus 24/109 Chuck Wilkinson – Special Needs Bus

Bus 104 Cletus Broich – Preschool Bus

NOTE #1: kids that get picked up at non-school in-town stops (except for Trinity/YMCA) are considered rural route riders because the buses they ride prior to AM transfer and after PM transfer are rural route buses

NOTE #2: exceptions for transfer – if a student attends a school or gets dropped off at a school that the bus they ride prior to AM transfer and after PM transfer goes to, they do not need to transfer to the bus they normally would under our regular shuttle busing system
